

Case 1: This is case 1.

Case 2: This is case 2.

Case 3: Case 3 has a very long line of text that is certain to wrap around to at least the second line, probably the third line too if it feels like it, and then has some sub-cases:

Case 3.a: This is case 3.a. It has a label, to be checked later.

[illegible]

Case 3.c: Case 3.c will have some subcases:

Case 3.3.c.i: Case 3.c.i.

Case 3.3.c.ii: Case 3.c.ii.

Case 4: This is case 4.

This is a reference to case 3.a
