1 Un exmple

2 Un titre

1. No need to manually number items here!

2. Number two added automatically

3. Third item

And here is a reference to item number 2

```
1 \section{Un titre}
2 \begin{enumerate}
3    \item No need to manually number items here!
4    \item\label{second} Number two added automatically
5    \item Third item
6 \end{enumerate}
7 And here is a reference to item number \ref{second}
```

3 Conclusion

????
